

WHERE

WILL I STAY IN KRUGER NATIONAL PARK?

During your safari in Kruger National Park you will be camping in the “Lower Sabie” campsite. The lower Sabie campsite is the most popular camp in all of Kruger, and for good reason. It overlooks the Sabie River and boasts a beautiful viewing deck as well as walkways along the river. Lower Sabie camp is situated in an excellent area for game viewing, in the south of Kruger.

You will be accommodated in shared dome tents with communal bathrooms with a sponge mattress, bed linen and pillows. The group will enjoy a communal campfire every night.

Vegetarians and most food allergies can be catered for. In order to fully support you during your experience, please advise us at time of booking if you have any food allergies or preferences, so we can cater for these in our meal plans. We will do our best but be prepared your food selection may not be as varied as other participants.
