Overview:

The Bazaruto Archipelago is a collection of 5 small tropical islands just off the coast of Mozambique near the mainland town of Vilanculos. The beautiful islands are protected within a Marine National Park and are home to an astounding array of marine, bird and animal life. The islands are considered by many to have the most beautiful tropical beaches in all of Mozambique.

On this tour you will sail from Vilanculos across to the islands and enjoy a day exploring the incredible white sand beaches, snorkeling the crystal clear reef waters and enjoy a fresh seafood barbeque. The snorkeling is fantastic as the site is easily accessible from the beach and the water is calm. The waters are home to a wonderful array of tropical fish and corals. The Bazaruto Archipelago is one of the few protected pristine tropical areas on the east coast of Africa and is a tropical wonderland – a true gem.
