**Overview:**

After a devastating civil war that lasted more than 30 years Mozambique has emerged as a peaceful democratic state transformed by heroic wartime leaders. This fascinating country has since opened up to the world & has become one of Africa's top dive and beach destinations. The reefs off Tofo are home to an astonishing amount of ocean life & are often referred to as the Galapagos of Africa! The Open Water PADI dive course takes 3 – 4 days to complete but you'll have plenty of time to relax & enjoy the beach as well as learn to dive. The dive school has a very impressive safety record. If you have your Open Water certificate you can also do an Advanced Dive Course.
