	Gravel park road
	4x4 road
	Gravel road
	River
	Hiking trail
	International Boundary

Important note:
Spring 2026 - Trails Update
During the current dry season, some areas of Malolotja experience wildfires which means the trails, which were cut, are now less visible (as the grass burnt). These areas are easy to walk as the grass is low, but the route may now be less easy to follow. If you would like an update on areas which burnt please call the All Out Africa office for an update +268 7835 2572.

Highlighted trails
The yellow highlighted hiking and 4x4 trails have been cleared and are walkable. The highlighted backpacking campsites have also been cleared and are suitable for camping.

All Out Africa is a hiking specialist tour operator based in Eswatini offering guided day walks as well as overnight backpacking and slack packing trail packages through Malolotja Nature Reserve and other wilderness areas of Eswatini including the Lubombo Conservancy and Ngwempisi Trails. All Out Africa provides all camping equipment needed or you can bring your own. To make a booking or enquire about trail options please contact tours@alloutafrica.com or call +268 7835 2572
